

**Season 1934**

Regular users of the site over the past few years will have noticed, and probably made use of, the pre-war files supplied by Bob Ozanne. These files covered the National League and National Trophy in 1934 and were, I believe, the first time the results from these leagues were published on-line.

Over recent years, the Speedway Researcher website has grown and the information we have gained has exceeded our expectations. This has led to Bob's files being a bit out of date and in need of an update

The Complete Season Results files compiled by Steve Wilkes and Gary Done for the post 1965 years have worked well and we have decided to replicate these files for the 1928-64 era.

In doing so, we pay tribute to Bob Ozanne and to Brian Collins whose excellent pre-war information also contributed to this work.

The key to this file is using the CTRL F function on the keyboard. By pressing these keys together, you can open a search box which allows you to look for the information you require. For example, by pressing these keys and typing in Southern League, will bring up the Southern League fixtures.

One of the main problems in putting the file together is that a number of riders had nicknames or are programmed with their surname as a constant but with different initials or first names. In cases such as this I have added notes to try and give the best information I can as to who I think competed. Again, this may be subject to change as and when new information coming to light.

Any missing information or amendments would be gratefully received.

Rocky Burnham used his own name.

Jack Trent was George Dykes. B. Brailsford is thought to have been Harold Brailsford who was active in 1934 and later rode for Nottingham. J. Kirby is believed to be Jack Riddle. A. Johnson was reported to be Fred Strecker.

No further details exist regarding J. Nash or Don Bergerson at this stage, but these may be assumed names.

### South London notes^

Bob Charles was Bob Henderson.

No further details exist regarding the other six South London riders at this stage, but these may all be assumed names. Tom Stuart was probably the same rider as Tommy Stewart who appeared at Tamworth.
