Southampton qualified from the Provincial round to meet Harringay in this special single leg fixture held at Banister Court. They put up a good fight against their first Division opponents. Jack Ormston had an eventful evening. He was well ahead in heat 2 but stopped when a red light was being waved about. This did not have the stewards authority and Dallison went by to win. In heat 12 Jack's handlebars were caught in the tapes. Despite this the steward started the race.				<b>HARRINGAY</b>

The first run of heat 10 resulted in a nasty crash. Ron Johnson went down and Case had nowhere to go. He crashed into Johnson and Dell laid his bike down promptly. Ron needed medical attention but with the typical grit of speedway riders came out for the rerun after a delay. Ron won the rerun. Case was on his second bike for the rest of the match. Dick had a rotten night getting involved with George Newton in unlucky heat 13. George reared up out of the gate and went over right in Case's path. Dick was on the deck for the third time.

Heroics from Cordy Milne in heat 4. Pursuing Ron Johnson hard he took a very awkward fall at speed. He was winded but there were only 3 riders left and a point was up for grabs. Bruised and battered Cordy started pushing home. At times he seemed exhausted but with the encouragement of captain Dick Case he made it to the line. Cordy collapsed and was helped by the medics but he got a terrific ovation.

Heat 8 was rerun because of a crash involving Case and Smythe. Smythe was carried off with back injuries and suspected broken collar bone. They were involved in a 3 abreast hard battle with Ormston. Ormston was barred from the rerun on the grounds of having caused the crash by dangerous riding. Some did not agree with the ref's decision that Ormston had bored Case. They saw it as 50/50 with Smythe being the innocent victim.

Heat 18 caused further discontent. Wilks and Milne fell in separate incidents on lap 1. Milne had crashed with Wotton. Les remounted and both Wilks and Milne were safely on the centre green. Only then did the ref stop the race. Harringay felt robbed of a 5/0. The crowd got angry and there was some trouble.

This was a rough tough affair but thankfully the controversy of the first leg was not repeated. Hackney were not fancied to put Harringay out of the National Trophy. Qualifying for the final was a great achievement and in the 1930's Cup competitions had great status. The National Trophy was the most important and seen very much as Speedway's FA cup.
