

Season 1936

Regular users of the site over the past few years will have noticed, and probably made use of, the pre-war files supplied by Bob Ozanne. These files covered the National League, Provincial League and National Trophy in 1936 and were, I believe, the first time the results from these leagues were published on-line.

Over recent years, the Speedway Researcher website has grown and the information we have gained has exceeded our expectations. This has led to Bob's files being a bit out of date and in need of an update

The Complete Season Results files compiled by Steve Wilkes and Gary Done for the post 1965 years have worked well and we have decided to replicate these files for the 1928-64 era.

In doing so, we pay tribute to Bob Ozanne and to Brian Collins whose excellent pre-war information also contributed to this work.

The key to this file is using the CTRL F function on the keyboard. By pressing these keys together, you can open a search box which allows you to look for the information you require. For example, by pressing these keys and typing in Southern League, will bring up the Southern League fixtures.

One of the main problems in putting the file together is that a number of riders had nicknames or are programmed with their surname as a constant but with different initials or first names. In cases such as this I have added notes to try and give the best information I can as to who I think competed. Again, this may be subject to change as and when new information coming to light.

Any missing information or amendments would be gratefully received.

An alternative report gives P. Brookes as the winner of Heat 2 of the Arlington Handicap but there is no other record of this rider.

*Assumed name for George Newton

**This is likely to be a reporting error. The rider is likely to be Tiger Lewis as 'H. Jeeves' did not appear in the heats, yet appears in the semi-final, whilst Tiger Lewis appears in the final.

***Thought to be the same rider as Basil Bumstead who rode for Eastbourne after the war.

*There is no other record of a rider of that era with the surname of Mack and I believe this may be Bert MacKechnie who was a regular at Dagenham that year

**Unsure as to whether this was Ken or Jack Tidbury

***Believed to be Alan Smith who rode in later Dagenham meetings.
