Run Off		Milne	Atkinson	60.2		

Heat 12 - Atkinson, normally a great gater was outgunned by Duggan and Price. It took Akko 3 laps to find a way past Price and then he was right with Vic Duggan. Atkinson went for it nipping tight inside on the last bend but Duggan held him off by half a wheel Van Praag was delayed travelling and did not arrive until after heat 1.

Jack Parker was thrown badly when Francis came down right in front of him. Jack's bike took a battering as well as Jack himself. The run off was a bit disappointing being won easily from the gate.
