

Season 1981

31/03/2022

Notes – season files

The full season files we have compiled have been collated from Speedway Publications, magazines, books and programmes.

These files list the heat details of every (known) UK official meeting raced during that particular season and also attempt to correct the many errors that have been published in the Speedway press and various publications for that season. The points scorers in the official league and KO Cup fixtures should (in the vast majority of cases) correspond with the official averages published at the end of the season, together with any fixture(s) where the result was amended following an appeal to the SCB.

We tried to remove as many errors as possible and of course some will remain. The authors will be delighted to hear of “genuine” mistakes and any missing information ie, race times, “missing” christian names, unreported tapes/2 minutes exclusions, etc.

***Ole Olsen appealed against referee Mel Price's decision to disqualify him from Heat 12 for alleged illegal use of a new tyre. Olsen's 3 points had been deducted from his score and the riders behind him, Gordon Kennett, Bo Petersen & Billy Sanders all advanced one place in the heat results. The Speedway Control Board Tribunal considered Olsen's appeal on May 26th and upheld his protest, ordering that the original Heat 12 result should stand. So it should read Olsen, Kennett, Petersen, Sanders. The revised finishing totals are as follows. Dave Jessup 13, Ole Olsen 13, Gordon Kennett 12, Jan Andersson 11, Billy Sanders 10, Chris Morton 9, Bo Petersen 8, Les Collins 8 Bobby Schwartz 7, Dennis Sigalos 6, Kelly Moran 6, Larry Ross 6, Malcolm Simmons 5, Phil Crump 4, Colin Richardson (res) 1, Rudy Muts (res) 1, Roger Johns 0, John Davis 0 (Olsen waived any claim to the additional prize money he should have won.)**
